

Amended Byelaws

A series of cosmetic updates are being proposed to the Byelaws of Welsh Athletics to reflect current job titles and name changes across a number of Byelaws. Changes also reflect changes approved at the 2024 AGM.

The following changes should be noted;

- To update Byelaw 11 to reflect the merger of the two Award Panels as agreed at the 2024 Welsh Athletics Annual General Meeting. The new byelaws are being proposed by the Awards and Heritage Panel who have met several times throughout the year.
- To update the name of the Youth forum – replacing Young Athlete Voice with Young Athlete Ambassador Forum. No changes to membership or responsibilities are being proposed.
- Byelaw 9.6.2.1 sees the membership of the committee updated to reflect the current staffing structure – mainly removing (k) Head of Competition as already referenced within (g) members of the competition department.
