Please let us know which events you can volunteer at, to help us allocate you an event role. Role specific training will be provided on the day. To make sure you understand what's involved and support you.

Volunteering at our events comes with many benefits including event experience, a chance to gain new skills, meet new people, free refreshments, and WA volunteer t-shirt. Travel expenses can be reimbursed for more information [see here](#).

Everyone is welcome, you just need to be enthusiastic and have a passion for sport. Volunteers do need to be aged 16 or over.

You must be a positive person, able to work in a team, be people focussed and be committed to providing the very best experience for all those taking part.
