UK Athletics & HCAF Club Safeguarding Code of Conduct

The UK Athletics (UKA) and the Home Country Athletics Federations (HCAF) Codes of Conduct set out national standards of conduct for all clubs, coaches, officials, volunteers and athletes in the sport.

The 2021 revised codes take account of developments in national policy, guidance and practice. The purpose of the codes are to clarify:

- what behaviours are acceptable and unacceptable
- the standards of practice expected from all club members
- the basis for challenging and improving practice

All club members must agree to the Codes of Conduct relevant to your role(s). Please use the check-boxes below to confirm that you have read, understood and agree to the Codes of Conduct relevant to your role(s) in athletics and running.

NB. If you have multiple roles within athletics and running you should tick each Code of Conduct which is relevant to each role.
